ONE WAY OR ANOTHER —
WE'RE GONNA GET YA GET
YA GET YA!!!!!!!

HOW BOARD MEMBERS CAN
STRENGTHEN AN
ORGANIZATION!

“

When board members open doors, make introductions, advocate in the community, bring resources to the table, and tell the organization's story with genuine passion, something powerful happens!!!

GREAT nonprofit leadership is **NOT** about filling a seat. It's about finding someone who will roll up their sleeves, share contacts and help with awareness and fund raising!
